

# Casa Del Mar

<b>Location:</b> Zanzibar (South East Coast)	<b>Rating:</b> 3-Star
<b>Number of Rooms:</b> 14 rooms	<b>Access:</b> 1 hour from the airport/harbor
<b>General Description:</b> Our hotel has a white sand beach. It is one of only a few beaches in Zanzibar where it is always possible to swim - during high and during low tide. During low tide the sea forms a natural lagoon and swimming is totally safe. Lying on the beach, you can observe the local fishermen in their wooden boats.  However, since 2009, you can also refresh using our Casa del Mar swimming pool. The pool has a maximum depth of 1 meter 70. As the pool is not supervised we want to ask you to keep a watchful eye on your children. The pool is open until 18:30h.
