Mara Intrepids is a delightful, homely camp set in one of Kenya's prime wildlife-viewing areas. With its 30 tents arranged in small clusters along the riverbanks, Mara Intrepids has the feel of a small, intimate camp, with its bar and dining areas nestled under groves of acacia and fig trees. The tents themselves are a picture of old-world elegance, with large four-poster beds, fine mahogany furniture, and modern en suite bathrooms with flush toilets and electricity.
