

Ngorongoro Sopa Lodge

**Location:**

Ngorongoro Conservation Area
At the top of the rim of the Ngorongoro Crater

Rating:

4-Star

Number of Rooms:

- 90 double rooms
- 6 single rooms

Access:

170 km from Arusha (4 hour drive from Arusha)
45 minute drive from the Ngorongoro Airstrip

General Description:

Perched on the edge of what is often referred to as the 8th Wonder of the World is the Ngorongoro Sopa Lodge. It's exclusive position on the Eastern rim affords it some of the most spectacular views of this collapsed volcano. Covering an area of 240 sq kilometers the crater floor is home to the densest population of animals in the world and amongst its residents is the endangered black rhino.
