General Description <p>Satao Elerai Camp is located in a quiet, unspoilt, unique setting on a 5000 acre private conservation area 10 kms south east of Amboseli National Park at the foot of Africa's Largest mountain, Mt Kilimanjaro. The camp looks down onto the Amboseli National Park in one direction and up to Mt Kilimanjaro in the other direction, giving clients what is arguably the best location of any camp in Amboseli. One of the biggest advantages of Satao Elerai Camp is that being located on its own private conservation area clients have the chance to view wildlife in private surroundings. In addition we also offer clients the chance to enjoy spectacular bush sundowners, night game drives and game walks on the conservancy, activities that are not available to the lodges located within the park.</p>
