

Serengeti Migration Camp

**Location:**

Serengeti National Park

Rating:

5-Star

Number of Rooms:

20 Large, elevated canvas tents

Access:

7-9 hour drive from Arusha

General Description:

The Serengeti Migration Camp is located at the starting point of one of the world's great wonders - The Migration. The landscape, originally formed by volcanic activity, has been sculptured by the ever-changing climate and now varies from open grass plains in the south, savannah grasslands with scattered acacia trees in the centre, hilly wood grasslands in the north to extensive woodland and black clay plains to the west.
